Postmodernization: Cultural, Economic ...Inglehart argues that during the Modernization phase a society undergoes economic, cultural, and political changes. "Economic development is linked with a syndrome of changes that includes not only industrialization, but also urbanization, mass education, occupational specialization, bureaucratization, and communications development, which in turn are linked with still broader cultural, social, and political changes" (8).Modernization and Postmodernization: Cultural, Economic ...Ronald Inglehart is one of the very few scholars to have remained consistently engaged with both the study of political culture and the development of modernization theory over the past few

decades. In Modernization and Postmodernization , he presents the cumulative results of decades of research on the interrelationships among cultural values, democracy, and capitalism.Modernization and Postmodernization - Cultural, Economic ...Pp. x, 453. \$60.00. \$18.95, paper.) Modernization and Postmodernization is Ronald Inglehart's most convincing demonstration of the theory of intergenerational value change, the cornerstone of his scholarship. This theory of cultural change in societies, now almost thirty years old, paints a picture of relative intragenerational value stability, with the possibility of slow, but significant cultural dynamism over time through intergenerational population replacement.Modernization
