## HADASSAH GAGE

[A Love Story](#) Romance Divine LLC

When Martin gets his first full-time job in the office of a top city firm, his parents are proud. He fits quickly in, despite his differences to his work colleagues. Martin is harbouring a secret. He should've been born a girl. He should've been born Martina. Soon within a position of trust to work late, and alone, Martina comes alive, dressing up in sexy lingerie and trawling transgender and transsexual adult websites for a couple of hours at a time. Nobody knows. Nobody suspects. Until it suddenly becomes clear someone does...Martina finds herself faced with a new dilemma. Either she must fully embrace her female persona and agree to work for her blackmailer as a live-in maid, completely independent and separated from her home life with her parents as Martin... Or everyone in her life, parents, friends and co-workers, will learn her sordid secrets. However, Martina's blackmailer wants more from the live-in maid than a traditional home cleaner. This man wants Martina to be his lover to... And with total servitude to his every whim. Tasks will be sensual. Tasks will be cruel. Tasks will be crazier and more outrageous than every one of Martina's most outlandish fantasies. Will she be able to keep up? **BLACKMAILED FROM MALE TO MAID** explores an interracial relationship between a young crossdresser who finds herself transitioning to transsexual and an older, confident, experienced male. Can what begins as a very one-sided relationship blossom into a true, equality-based romance?

*The Breaking Cage* Burned Books Publishing

NEW YORK TIMES BESTSELLER | ONE OF O: THE OPRAH MAGAZINE'S TEN FAVORITE BOOKS OF THE YEAR | NAMED ONE OF THE BEST BOOKS OF THE YEAR BY Harper's Bazaar • St. Louis Post-Dispatch • Publishers Weekly Gloria Steinem—writer, activist, organizer, and inspiring leader—now tells a story she has never told before, a candid account of her life as a traveler, a listener, and a catalyst for change. Includes “Secrets,” a new chapter! When people ask me why I still have hope and energy after all these years, I always say: Because I travel. Taking to the road—by which I mean letting the road take you—changed who I thought I was. The road is messy in the way that real life is messy. It leads us out of denial and into reality, out of theory and into practice, out of caution and into action, out of statistics and into stories—in short, out of our heads and into our hearts. Gloria Steinem had an itinerant childhood. When she was a young girl, her father would pack the family in the car every fall and drive across country searching for adventure and trying to make a living. The seeds were planted: Gloria realized that growing up didn't have to mean settling down. And so began a lifetime of travel, of activism and leadership, of listening to people whose voices and ideas would inspire change and revolution. My Life on the Road is the moving, funny, and profound story of Gloria's growth and also the growth of a revolutionary movement for equality—and the story of how surprising encounters on the road shaped both. From her first experience of social activism among women in India to her work as a journalist in the 1960s; from the whirlwind of political campaigns to the founding of Ms. magazine; from the historic 1977 National Women's Conference to her travels through Indian Country—a lifetime spent on the road allowed Gloria to listen and connect deeply with people, to understand that context is everything, and to become part of a movement that would change the world. In prose that is revealing and rich, Gloria reminds us that living in an open, observant, and “on the road” state of mind can make a difference in how we learn, what we do, and how we understand each other. Praise for My Life on the Road “Like Steinem herself, [My Life on the Road] is thoughtful and astonishingly humble. It is also filled with a sense of the momentous while offering deeply personal insights into what shaped her.”—O: The Oprah Magazine “A lyrical meditation on restlessness and the quest for equity. . . . Part of the appeal of My Life is how Steinem, with evocative, melodic prose, conveys the air of discovery and wonder she felt during so many of her journeys. . . . The lessons imparted in Life on the Road offer more than a reminiscence.

They are a beacon of hope for the future.”—USA Today “A warmly companionable look back at nearly five decades as itinerant feminist organizer and standard-bearer. If you've ever wondered what it might be like to sit down with Ms. Steinem for a casual dinner, this disarmingly intimate book gives a pretty good idea, mixing hard-won pragmatic lessons with more inspirational insights.”—The New York Times “Steinem rocks. My Life on the Road abounds with fresh insights and is as populist as can be.”—The Boston Globe “In person and in her writing, Steinem exudes a rare combination of calm, humility and honesty about her weaknesses that explains all she has accomplished.”—Jezebel [War--what For?](#) Random House Trade Paperbacks

When Betty Friedan produced *The Feminine Mystique* in 1963, she could not have realized how the discovery and debate of her contemporaries' general malaise would shake up society. Victims of a false belief system, these women were following strict social convention by loyally conforming to the pretty image of the magazines, and found themselves forced to seek meaning in their lives only through a family and a home. Friedan's controversial book about these women - and every woman - would ultimately set Second Wave feminism in motion and begin the battle for equality. This groundbreaking and life-changing work remains just as powerful, important and true as it was forty-five years ago, and is essential reading both as a historical document and as a study of women living in a man's world. 'One of the most influential nonfiction books of the twentieth century.' New York Times 'Feminism ..... began with the work of a single person: Friedan.' Nicholas Lemann With a new Introduction by Lionel Shriver

*Pushed into Petticoats* Penguin Classics

Gender is one of the most important topics in the field of sociology, and as a system of social practices it inspires a multitude of theoretical approaches. *The Sociology of Gender* offers an introductory overview of gender theory and research, offering a unique and compelling approach. Treats gender as a multilevel system operating at the individual, interactional, and institutional levels. Stresses conceptual and theoretical issues in the sociology of gender. Offers an accessible yet intellectually sophisticated approach to current gender theory and research. Includes pedagogical features designed to encourage critical thinking and debate. Closer Look readings at the end of each chapter give a unique perspective on chapter topics by presenting relevant articles by leading scholars.

**(Crossdresser,Crossdressing,Sissification,Feminization,Sissy Maid)** CRC Press

A lushly drawn graphic novel detailing the willing submission of a young woman desperate to be dominated by her Prince Charming.

[A Guide for Increased Joy in Crossdressing](#) Routledge

Miles Franklin wrote *My Brilliant Career* as a romance to entertain her friends. It depicts the poor, intelligent Sybylla who cannot accustom herself to her family's reduced circumstances. She is given a reprieve and sent to her Grandmother's grand house, where she mingles with the best rural society, including the handsome Harry Beecham. She is faced with the choice of material improvement through marriage, or personal improvement through working for her dreams.

**Blackmailed From Male To Maid** Bloomsbury Publishing

This book examines Jewish communities in Britain in an era of immense social, economic and religious change: from the acceleration of industrialisation to the end of the first phase of large-scale Jewish immigration from Europe. Using the 1851 census alongside extensive charity and community records, Jews in Nineteenth-Century Britain tests the impact of migration, new types of working and changes in patterns of worship on the family and community life of seven of the fastest-growing industrial towns in Britain. Communal life for the Jews living there (over a third of whom had been born overseas) was a constantly shifting balance between the generation of wealth and respectability, and the risks of inundation by poor newcomers. But while earlier studies have used this balance as a backdrop for the story of individual Jewish communities, this book highlights the interactions between the people who made them up. At the core of the book is the question of what

membership of the 'imagined community' of global Jewry meant: how it helped those who belonged to it, how it affected where they lived and who they lived with, the jobs that they did and the wealth or charity that they had access to. By stitching together patterns of residence, charity and worship, Alys Levene is here able to reveal that religious and cultural bonds had vital functions both for making ends meet and for the formation of identity in a period of rapid demographic, religious and cultural change.

*The Art of Sardax* John Wiley & Sons

Gender & Pop Culture provides a foundation for the study of gender, pop culture and media. This comprehensive, interdisciplinary text provides text-book style introductory and concluding chapters written by the editors, seven original contributor chapters on key topics and written in a variety of writing styles, discussion questions, additional resources and more. Coverage includes: - Foundations for studying gender & pop culture (history, theory, methods, key concepts) - Contributor chapters on media and children, advertising, music, television, film, sports, and technology - Ideas for activism and putting this book to use beyond the classroom - Pedagogical Features - Suggestions for further readings on topics covered and international studies of gender and pop culture Gender & Pop Culture was designed with students in mind, to promote reflection and lively discussion. With features found in both textbooks and anthologies, this sleek book can serve as primary or supplemental reading in undergraduate courses across the disciplines that deal with gender, pop culture or media studies. "An important addition to the fields of gender and media studies, this excellent compilation will be useful to students and teachers in a wide range of disciplines. The research is solid, the examples from popular culture are current and interesting, and the conclusions are original and illuminating. It is certain to stimulate self-reflection and lively discussion." Jean Kilbourne, Ed.D., author, feminist activist and creator of the Killing Us Softly: Advertising's Image of Women film series "An ideal teaching tool: the introduction is intellectually robust and orients the reader towards a productive engagement with the chapters; the contributions themselves are diverse and broad in terms of the subject matter covered; and the conclusion helps students take what they have learnt beyond the classroom. I can't wait to make use of it." Sut Jhally, Professor of Communication, University of Massachusetts at Amherst, Founder & Executive Director, Media Education Foundation Adrienne Trier-Bieniek, Ph.D. is currently an assistant professor of sociology at Valencia College in Orlando, Florida. Her first book, Sing Us a Song, Piano Woman: Female Fans and the Music of Tori Amos (Scarecrow, 2013) addresses the ways women use music to heal after experiencing trauma. www.adriennetrier-bieniek.com Patricia Leavy, Ph.D. is an internationally known scholar and best-selling author, formerly associate professor of sociology and the founding director of gender studies at Stonehill College. She is the author of the acclaimed novels American Circumstance and Low-Fat Love and has published a dozen nonfiction books including Method Meets Art: Arts-Based Research Practice. www.patricialeavy.com

*The Creatures of Man* The Floating Press

"While this is a glimpse of Frankfurt's African American community, it has much in common with other Black communities, especially those in the South. Although much in the collection that produced this work - both photographic and oral history - is nostalgic, it ultimately demonstrates that change is constant, producing both negative and positive results."--BOOK JACKET.

**Black Feminist Thought** Scarlett Steele

This anthology examines how immigrants and their US-born children use media to negotiate their American identity and how audiences engage with mediated narratives about the immigrant experience (cultural adjustments, language use, and the like). Where this work diverges from other collections and monographs is the area it is intentional focus on how both first- and second-generation Americans' complex identities and hybrid cultures interact with mediated narratives in general, alongside the extent to which these narratives reflect their experience. In a three-part structure, the collection examines representations, "zooms in" to explore the reception of these narratives through autoethnographic essays, and concludes in a section of analysis and critique of specific media.

*Gay and Lesbian Literary Heritage* Harper Collins

The glamour of transvestite fashion is the epitome of 90s style, but the significance of cross-dressing and sex-changing goes much deeper than the annals of fashion. Ekins vividly details the innermost desires and the varied practices of males who wear the clothes of women for the pleasure it gives them (cross-dressers), or who wish to change sex and are actively going about it (sex-changers). This unique and fascinating book transforms an area of study previously dominated by clinical models to look instead at cross-dressing and sex-changing as a highly variable social process. Giving precedence to the processual and emergent nature of much cross-dressing and sex-changing phenomena, the book traces the phased femaling career path of the 'male femaler' from 'beginning femaling' through to 'consolidating femaling'. Based upon seventeen years of fieldwork, life history work, qualitative analysis, archival work and contact with several thousand cross-dressers and sex-changers, the book meticulously and systematically develops a theory of 'male femaling' which has major ramifications for both the field of 'transvestism' and 'transsexualism', and for the analysis of sex and gender more generally. Male-Femaling provides social and cultural theorists with a lively case study for the generation of new theory. Social psychologists and sociologists interested in seeing grounded theory applied to a particular case study will be well rewarded. It will be essential reading for students of gender studies who seek to explore the interrelations between sex, sexuality and gender from the informants' point of view.

Women on Top Jews in Nineteenth-Century Britain Charity, Community and Religion, 1830-1880 Presents the author's cycle of stories, referred to as the "Econo-War series," in one novel-length narrative for the first time.

*A Text-Reader* Routledge

For the young man in this story, getting back together with an old girlfriend he still loves turns out to be possible. But only on her terms. This younger man is positively bewitched by this big, beautiful, older woman, and agrees to do whatever she asks. But he soon finds out that she does not want only a submissive lover, but also a sissy servant! A uniformed sissy maid! Once put into frocks, he finds he cannot turn back from the journey towards total sissy servitude. Before long, locked in chastity, fully-uniformed in skimpy frock, frilly apron, and wig, eyebrows plucked and lips painted, he is waiting hand and foot on Madame and her lady friends at a party held especially to show him off!

**A Grounded Theory Approach to Cross-dressing and Sex-changing** Greenery Press (CA)

'I edged forward, his hand shot out to grab my wrist again, which he then used to pull me into him. "Please, don't," I whimpered, trying to keep my voice soft and feminine in spite of my panic. But he wrapped me up in his tight embrace so I was looking up under his chin, unable to move, smelling the coffee and cigarettes on his breath.' Experience the gradual erosion of Joe's masculinity at the hands of his wife and her lover, until this once successful guy has been humiliated and broken, and reluctantly takes on the role of their 24/7 maid, all his power now gone. In order to avoid confrontation, Joe complies with each incremental step till it is too late, and Josie is soon enduring such horrors as forced feminization, femme dom, financial domination, chastity, bdsm, spanking, pegging, bottoming, oral, total power exchange, sissy hypnosis and maid service, ending up with nothing but the need to be obedient and serve her Mistress and her lover. Rate and review if you want more delicious forced fem stories in this series. Sharpelink \*\*\*\*\* Best Forced Femme I've Read in Years! (Reviewed in the United States on April 16, 2021) Excepting works by the revered Ann Michelle, this is the best forced feminization novel I've ever read (and I've read--or tried to read--most). The plot is standard but smoothly executed. No corners are cut; every step of Joe's ushered transition to Josie is lovingly described and his crossdressing dilemmas are both pathetic and delectable...

*Theory and Analysis, Fourth Edition* Basic Books

Maximizing the joy of crossdressing? Do you crossdress from a male to a female? Or is there someone in your life who does? If so, how about taking it up a notch? Increasing the pleasure and the amount of time doing it? This isn't about how to dress or how to become feminine. We have a book on that, and there are plenty of other resources too. This is how to increase your joy in crossdressing as much as possible. Whether you're a woman with a boyfriend or husband whom you want to become feminine-because of what it will do for them or you or your other boyfriend-or whether you're a sole practitioner who loves the hobby and would like to have ideas on how to reap more delight from it, this book can help. A woman who gives this book to a male will be making a statement of how much she loves him and wants him to be her special person. A sole practitioner of this hobby who takes this book to heart will be doing an act of kindness and respect for her inner girl that says, I love who I am when I'm feminized, and I deserve to take care of her. Maximize the joys of being a male-to-female crossdresser and increase the gratification, satisfaction, degree of sensuality, and amount of time you have to enjoy it in this quick but thought-provoking short read. This is a guide that will help feminized men-husbands, boyfriends, sissies, those in female-led relationships, or cuckolded males who are feminized. Give it as a gift for them or buy it as a gift for yourself. Look inside now!

*Community Memories* Springer Science & Business Media

British artist Sardax has created a rich and complex universe that, among the aficionados of Femdom (female domination), enjoys international renown. For the male of the species, pain is transmuted into pure, masochistic pleasure, while the female is diverted and entertained. With over 75 classic Sardax images beautifully reproduced with accompanying erotic texts, this is a must-have book for any who have devoted their lives to male servitude and a tribute to one of the great illustrators of the genre.

A discussion of how modern advertising attempts to control our thoughts and desires in order to make us buy the products it produces. Exploring the use of consumer motivational research and other psychological techniques, including subliminal tactics, this book shows how advertisers secretly manipulate mass desire for consumer goods and products. In addition, Packard also discusses advertising in politics, predicting the way image and personality rapidly came to overshadow real issues in the televised age.
